

ALERT: Do you want these trans-national Pilgrims Society AsZe spies, propagandists & warlords to inject the COVID-19 vaccine in you and your family? (Read: **Should trans-national pharma-spies who believe in *depopulation* be delivering drugs and vaccines to us?)**

AstraZenca's three largest investors are Wellington, Blackrock and Capital Group—ALL CRIMINAL SPIES:

1. 11.7% Wellington
 2. 7.69% Blackrock
 3. 4.86% Capital Group
1. [Wellington Group](#) & [Vanguard](#) are synonymous with [Vanguard](#) founded by the late [John C. Bogle](#) and was a well-known globalist C.I.A. agent whose fund enables massive transnational warlord money laundering, drugs, human and arms trafficking.
 2. [Blackrock](#), knowledgeable people know it was formed by the I.A.
 3. [The Capital Group](#) holds 5% of [BAE Systems](#) (*5G & nanotube extermination*; former Marconi-thief of Tesla inventions) (“make war not love” Queen’s Golden Share-controlled); and 9% of **British American Tobacco** ([BAT](#)); (subsidiaries more numerous than British Embassies, Annual Report 2018, pp. 236-245); **69% of Lockheed Martin** (controlled by the Queen’s Golden share; teamed with [SERCO/C.I.A./MI6/QintetiQ](#) and the **Atomic Weapons Establishment (UK)** (another Queen’s Golden share company); **State Street** 16.8%, **Vanguard** 7.09%, **BlackRock** 6.72%, **Bank of America** 3.1%); Anti-Brexit PM Teresa May’s husband **Philip May** works for The Capital Group

AstraZeneca Plc was founded in 1993 by **Sir Denis Henderson**, a member of the Pilgrims Society and a **Crown Agent** for the **Privy Council**.

AstraZeneca Plc is [winning advance contracts](#) to distribute an unproven Coronavirus vaccine globally. Consider each **AstraZeneca Plc subsidiary (pp. 229-233)** an accomplice in this criminal spy Pilgrims Society enterprise.
